Logitech G515 TKL Wired Gaming Keyboard

Ultra-thin 22 mm design meets high-performance engineering with Logitech G515 TKL wired gaming keyboard. Low-profile factory-lubed GL mechanical switches are available in tactile and linear. Durable double-shot PBT keycaps and sound dampening layered construction offer durability and accuracy for a superior experience visually and in play.

WHAT'S IN THE BOX

- G515 TKL Gaming Keyboard, USB-A to USB-C charging and data cable (1.8 m), User documentation, 2-year limited hardware warranty.

FEATURES

- Compact Gaming Keyboard: The Logitech G515 TKL wired mechanical gaming keyboard offers a slim profile and tenkeyless design
- Smooth, Precise Typing Experience: Factory-lubed low-profile GL mechanical switches for a smoother feel, fast actuation, and precise typing – available in tactile and linear (2 models)
- Anti-Oil Design and Premium Feel: Double-shot PBT keycaps offer durability for the most intense moments of play and look as good as they perform
- Lightsync RGB: Access ~16.8M colors to customize your RGB gaming keyboard for play, create themes, and sync other Logitech G gear in G HUB
- Reliable Wired Connection: The G515 wired gaming keyboard offers faster performance with no lag or interference; enjoy continuous play with zero charging
- Quieter Play: This TKL gaming keyboard features sound dampening layered construction for a smoother feel, elevated typing experience, and quieter play
- Next-Level Customization: Keycontrol technology allows next-level customization of every key to make your PC gaming keyboard a personal control center
- Available in Black or White: Available in black or white colorways
