

Lenovo Yoga Slim 7a (14", 11)

Your Everyday Creative Sidekick

Yoga Slim 7a offers the perfect blend of performance, portability, and reliability. Its slim, light design is easy to carry, with all day battery life to keep you productive on the go. Powered by AMD Ryzen™ AI 400 Series processors and an up to 2.8K OLED display, it delivers accurate color and rich contrast for photo and video editing.

Effortless Portability

Light at just 1.15kg and slim at 13.9mm, the Yoga Slim 7a is built for creators who need to stay productive on the go. The aluminum chassis has a sturdy yet refined feel, making it easy to carry. Whether you're editing photos or videos, it's ready to support your creative workflow. The Tidal Teal color adds a distinctive, modern touch.

Performance for All Your Needs

Supercharge your creative workflows with leadership multithreaded performance and a powerful AI engine. With AMD Ryzen™ AI 400 Series processors, enjoy top-tier performance, smart AI tools, and portability that powers your creativity. With 28W TDP performance and ultra-quiet operation under 22dB, you can create and stay focused without distraction.

Keep Going From Day to Night

Work and create wherever you are with all day battery life on a single charge. From editing and designing to handling meetings and everyday tasks, you can stay focused without worrying about finding a power outlet. Built for people who need to stay productive on the go, this laptop gives you the freedom to get more done, all day long.

Every Pixel Counts

The PureSight Pro OLED display delivers HDR 1100 nits peak brightness, Dolby Vision®, and DisplayHDR True Black 1000 certification for lifelike contrast. With wide color at 100% sRGB and P3 plus Delta E<1, every frame stays true. A 120Hz refresh rate ensures smooth motion, while TÜV Low Blue Light and Eyesafe certifications TÜV reduce eye strain.

- MIL-STD 810H Passed

¹ All battery life claims are approximate and based on two methods of testing: MobileMark® 2025 battery life benchmark @ 200 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 10. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. | ² Height is calculated using T2 measurements and should be considered 'as thin as'. | ³ Bluetooth® version depends on OS. | ⁴ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, may be slower than a speed of 20 Gbit/s. | ⁵ EPEAT®-registered where applicable — see www.epeat.net for registration status by country. | ⁶ FCC License code: C156624.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
