| Lighting Efficiency class                                                     | A                          |
| Grease Filtering Efficiency                                                   | 75,2 %                     |
| Grease Filtering Efficiency class                                             | C                          |
| Air flow (min speed normal use)                                               | 440 m³/h                   |
| Air flow (max speed normal use)                                               | 621 m³/h                   |
| Air flow (intensive or boost use)                                             | 990 m³/h                   |
| Airborne acoustical A-weighted sound power emissions (min speed normal use)   | 65 dB                      |
| Airborne acoustical A-weighted sound power emissions (max speed normal use)   | 71 dB                      |
| Airborne acoustical A-weighted sound power emissions (intensive or boost use) | 74 dB                      |
| Power consumption in standby mode (W)                                         | 0,48 W                     |
