| Supplier name or trademark                                                  | CATA                        |
| Model identifier                                                            | 02030408 - GT-PLUS 45 BK /M |
| Annual Energy Consumption                                                   | 89,0 kWh/annum              |
| Energy Efficiency Class                                                     | C                           |
| Fluid Dynamic Efficiency                                                    | 16,3                        |
| Fluid Dynamic Efficiency class                                              | D                           |
| Lighting Efficiency                                                         | 33,7 Lux/W                  |
| Lighting Efficiency class                                                   | A                           |
| Grease Filtering Efficiency                                                 | 91,2 %                      |
| Grease Filtering Efficiency class                                           | B                           |
| Air flow (min speed normal use)                                             | 300 m³/h                    |
| Air flow (max speed normal use)                                             | 645 m³/h                    |
| Airborne acoustical A-weighted sound power emissions (min speed normal use) | 50 dB                       |
| Airborne acoustical A-weighted sound power emissions (max speed normal use) | 65 dB                       |
| Power consumption in standby mode (W)                                       | 0,01 W                      |
